- Your legal rights are affected whether you act or do not act. Read this Notice carefully.

### **YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT**

#### **SUBMIT A CLAIM FORM**

The only way to get a payment.

#### **EXCLUDE YOURSELF**

Get no payment. This is the only option that allows you to participate in another lawsuit against the Defendants for the legal claims in this case.

#### **OBJECT**

You may write to the Court if you do not like this settlement, the request for attorneys' fees and expenses, or the Plan of Allocation.

#### **GO TO A HEARING**

You may ask to speak in Court about the fairness of the settlement, request for attorneys' fees and expenses, or the Plan of Allocation.

#### **DO NOTHING**

Get no payment. Give up your rights.

- These rights and options — **and the deadlines to exercise them** — are explained in this Notice.
- The Court in charge of this case must decide whether to approve the settlement. Payments will be made if the Court approves the settlement and, if there are any appeals, after appeals are resolved. Please be patient.

### **BASIC INFORMATION**

#### **1. Why did I get this notice package?**

You or someone in your family may have purchased or otherwise acquired Fushi common stock between August 14, 2007 and May 4, 2011, inclusive.

The Court directed that you be sent this Notice because you have a right to know about a proposed settlement of a class action lawsuit, and about all of your options, before the Court decides whether to approve the settlement. If the Court approves it and after any objections or appeals (if there are any) are resolved, the Claims Administrator appointed by the Court will make the payments that the settlement allows.

This package explains the lawsuit, the settlement, your legal rights, what benefits are available, who is eligible for them, and how to get them.

The Court in charge of the case is the United States District Court for the Middle District of Tennessee, Nashville Division, and the case is known as *North Port Firefighters' Pension-Local Option Plan v. Fushi Copperweld, Inc., et al.*, Civil Action No. 3:11-cv-00595. The Court-appointed Lead Plaintiff, City of Lakeland Employees Pension Plan, is the entity that leads the Litigation, and the company and the individuals it sued are called Defendants.

#### **2. What is this lawsuit about?**

This Litigation alleges that Fushi and certain of its executives violated the federal securities laws by engaging in a scheme to manage its reported net income and to misrepresent and conceal the Company's true financial condition by failing to comply with Generally Accepted Accounting Principles. Lead Plaintiff alleges that when Defendants disclosed the truth about the Company's financial results through a series of disclosures, Class Members suffered damages as a result of the decline in the price of Fushi common stock.

Defendants deny all of Lead Plaintiff's allegations and further deny that they did anything wrong.

#### **3. Why is this a class action?**

In a class action, one or more people called class representatives (in this case, the Court-appointed Lead Plaintiff, City of Lakeland Employees Pension Plan), sue on behalf of people who have similar claims. All of these people and/or entities are called a class or class members. One judge – in this case, United States Chief District Court Judge William J. Haynes, Jr. – resolves the issues for all class members, except for those who exclude themselves from the class.

#### **4. Why is there a settlement?**

The Court did not decide in favor of the Lead Plaintiff or Defendants. Instead, the lawyers for both sides of the lawsuit have negotiated a settlement, with the assistance of a highly experienced mediator, that they believe is in the best interests of their respective clients. The settlement allows both sides to avoid the risks and cost of lengthy and uncertain

litigation and the uncertainty of a trial and appeals, and permits Class Members to be compensated without further delay. The Lead Plaintiff and its attorneys think the settlement is best for all Class Members.

### WHO GETS MONEY FROM THE SETTLEMENT

To see if you will get money from this settlement, you first have to determine if you are a Class Member.

#### 5. How do I know if I am part of the settlement?

The Class includes *all Persons who purchased or otherwise acquired Fushi common stock between August 14, 2007 and May 4, 2011, inclusive.*

#### 6. Are there exceptions to being included in the Class?

Yes. Excluded from the Class are Defendants, the officers and directors of Fushi during the Class Period, members of their immediate families and their legal representatives, heirs, successors or assigns, and any entity in which any Defendant has or had a controlling interest. Also excluded from the Class are those persons who timely and validly request exclusion from the Class. See Question 13 below.

#### 7. I'm still not sure if I am included.

If you still are not sure whether you are included, you can ask for free help. You can call the Claims Administrator at 1-800-447-7657 or visit [www.gilardi.com](http://www.gilardi.com) for more information; or, you can contact a representative of Lead Plaintiff's counsel: Rick Nelson, c/o Shareholder Relations, Robbins Geller Rudman & Dowd LLP, 655 West Broadway, Suite 1900, San Diego, CA 92101, Telephone: 1-800-449-4900 for more information.

### THE SETTLEMENT BENEFITS – WHAT YOU GET

#### 8. What does the settlement provide?

Defendants have agreed to pay or cause to be paid \$3,250,000 in cash (the "Settlement Fund"). The Settlement Fund, plus interest earned from the date it is established, less costs, fees, and expenses (the "Net Settlement Fund"), will be divided among all eligible Class Members who send in valid Proofs of Claim ("Authorized Claimants"). Costs, fees, and expenses include Court-approved attorneys' fees and expenses, the costs of notifying Class Members, including the costs of printing and mailing this Notice and the cost of publishing newspaper notice, the costs of claims administration, and taxes on the Settlement Fund.

#### 9. How much will my payment be?

Your share of the Net Settlement Fund will depend on the number of valid Proofs of Claim that Class Members send in and how many shares of Fushi common stock you purchased or acquired during the relevant period and when you bought and sold them.

For purposes of determining the amount an Authorized Claimant may recover under the Plan of Allocation, Lead Plaintiff's counsel conferred with their damages consultant and the Plan of Allocation reflects an assessment of damages that they believe could have been recovered had Lead Plaintiff prevailed at trial.

In the unlikely event there are sufficient funds in the Net Settlement Fund, each Authorized Claimant will receive an amount equal to the Authorized Claimant's claim, as defined below. If, however, the amount in the Net Settlement Fund is not sufficient to permit payment of the total claim of each Authorized Claimant, then each Authorized Claimant shall be paid the percentage of the Net Settlement Fund that each Authorized Claimant's claim bears to the total of the claims of all Authorized Claimants. Payment in this manner shall be deemed conclusive against all Authorized Claimants.

A "claim" will be calculated as follows:

For shares of Fushi common stock *purchased or acquired on or between August 14, 2007 through May 4, 2011*, the claim per share shall be as follows:

a) If sold on or between August 14, 2007 through May 4, 2011, the claim per share shall be the lesser of (i) the inflation in Table A at the time of purchase less the inflation in Table A at the time of sale; and (ii) the difference between the purchase price and the selling price.

b) If retained at the end of May 4, 2011 and sold before August 2, 2011, the claim per share shall be the lesser of (i) the inflation in Table A at the time of purchase; (ii) the difference between the purchase price and the selling price; and (iii) the difference between the purchase price per share and the average closing price per share up to the date of sale as set forth in Table B below.

c) If retained at the close of trading on August 1, 2011, or sold thereafter, the claim per share shall be the lesser of (i) the inflation in Table A at the time of purchase; and (ii) the difference between the purchase price per share and \$6.68 per share.

For Class Members who held Fushi common stock at the beginning of the Class Period or made multiple purchases, acquisitions or sales during the Class Period, the first-in, first-out (“FIFO”) method will be applied to such holdings, purchases, acquisitions and sales for purposes of calculating a claim. Under the FIFO method, sales of Fushi common stock during the Class Period will be matched against purchases or acquisitions of Fushi common stock, in chronological order, first against common stock held at the beginning of the Class Period. The remaining sales of Fushi common stock during the Class Period will then be matched, in chronological order, against Fushi common stock purchased or acquired during the Class Period.

An Authorized Claimant will be eligible to receive a distribution from the Net Settlement Fund only if a Class Member had a net loss, after all profits from transactions in Fushi common stock during the Class Period are subtracted

from all losses. However, the proceeds from sales of Fushi common stock which have been matched against Fushi common stock held at the beginning of the Class Period will not be used in the calculation of such net loss.

The Court has reserved jurisdiction to allow, disallow or adjust the claim of any Class Member on equitable grounds.

Payment pursuant to the Plan of Allocation set forth above shall be conclusive against all Authorized Claimants. No Person shall have any claim against Lead Plaintiff, any Plaintiffs' counsel, any claims administrator or other Person designated by Lead Plaintiff's counsel or Defendants and/or the Related Parties and/or the Released Persons and/or their counsel based on distributions made substantially in accordance with the Stipulation and the settlement contained therein, the Plan of Allocation, or further orders of the Court. All Class Members who fail to complete and file a valid and timely Proof of Claim shall be barred from participating in distributions from the Net Settlement Fund (unless otherwise ordered by the Court), but otherwise shall be bound by all of the terms of the Stipulation, including the terms of any judgment entered and the releases given.

## **HOW YOU GET A PAYMENT – SUBMITTING A CLAIM FORM**

### **10. How will I get a payment?**

To qualify for a payment, you must send in a Proof of Claim. A Proof of Claim is enclosed with this Notice. Read the instructions carefully, fill out the form, include all the documents the form asks for, sign it, and mail it in the enclosed envelope postmarked no later than December 17, 2013.

### **11. When would I get my payment?**

The Court will hold a hearing on May 12, 2014, at 9:00 a.m., to decide whether to approve the settlement, the Plan of Allocation, and Lead Plaintiff's counsel's request for an award of attorneys' fees and expenses. If Judge Haynes approves the settlement, there may be appeals. It is always uncertain whether these appeals can be resolved favorably, and resolving them can take time, perhaps more than a year. It also takes time for all the claim forms to be processed. If there are no appeals and depending on the number of claims submitted, the Claims Administrator could distribute the Net Settlement Fund as early as nine months after the fairness hearing. Please be patient.

### **12. What am I giving up to get a payment or stay in the Class?**

Unless you exclude yourself, you are staying in the Class, and that means that you cannot sue, continue to sue, or be part of any other lawsuit against the Defendants about the same issues in this case or about issues that could have been asserted in this case. It also means that all of the Court's orders will apply to you and legally bind you and you will release your Released Claims in this case against the Released Persons. "Released Claims" means any and all claims, demands, rights, liabilities and causes of action of every nature and description whatsoever, known or unknown, contingent or absolute, mature or immature, discoverable or undiscoverable, whether concealed or hidden, suspected or unsuspected, whether arising under federal, state, common or foreign law, which now exist or heretofore have existed, based upon, arising from or relating in any manner to both (1) the purchase or acquisition of Fushi common stock during the Class Period and (2) the allegations, transactions, acts, facts, matters, occurrences, disclosures, statements, representations or omissions that were or could have been alleged by Lead Plaintiff or any Class Members in the Litigation or any pleadings or briefs filed therein (including, without limitation, all claims arising out of or relating to any disclosures, public filings or statements by Fushi or any of the Defendants during the Class Period).

"Unknown Claims" means any of the Released Claims which Lead Plaintiff or any Class Member does not know or suspect to exist in such party's favor at the time of the release of the Released Persons which, if known by such party, might have affected such party's settlement with and release of the Released Persons, or might have affected such party's decision not to object to this settlement. With respect to any and all Released Claims, upon the Effective Date, the Lead Plaintiff and the Class Members shall expressly waive, and by operation of the Order and Final Judgment shall have expressly waived, the provisions, rights, and benefits of California Civil Code §1542, which provides:

**A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.**

The Lead Plaintiff and the Class Members, by operation of the Order and Final Judgment, shall have expressly waived any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States, or principle of common law, which is similar, comparable or equivalent to California Civil Code §1542. The Lead Plaintiff and the Class Members may hereafter discover facts in addition to or different from those which such party now knows or believes to be true with respect to the subject matter of the Released Claims, but the Lead Plaintiff and the Class Members, upon the Effective Date, by operation of the Order and Final Judgment, shall have fully, finally, and forever settled and released any and all Released Claims, known or unknown, suspected or unsuspected, contingent or non-contingent, whether or not concealed or hidden, that now exist, or heretofore have existed, upon any theory of law or equity now existing or coming into existence in the future, including, but not limited to, conduct that is negligent, reckless, intentional, with or without malice, or a breach of any duty, law or rule, without regard to the subsequent discovery or existence of such different or

additional facts. The Lead Plaintiff acknowledges, and the Class Members shall be deemed by operation of the Order and Final Judgment to have acknowledged, that the foregoing waiver was separately bargained for and a key element of the Settlement of which this release is a part.

“Related Parties” means Defendants’ present and former parents, subsidiaries, affiliates, predecessors, and successors, and each of their present and former officers, directors, employees, partners, principals, trustees, attorneys, auditors, accountants, investment bankers, consultants, agents, insurers, re-insurers, and each of their respective heirs, executors, administrators, predecessors, successors, and assigns.

“Released Persons” means any and all of the Defendants and each and all of their Related Parties.

### **EXCLUDING YOURSELF FROM THE SETTLEMENT**

If you do not want a payment from this settlement, but you want to keep the right to sue or continue to sue the Defendants on your own about the same issues in this case, then you must take steps to get out of the Class. This is called excluding yourself or is sometimes referred to as opting out of the Class.

#### **13. How do I get out of the Class?**

To exclude yourself from the Class, you must send a letter by mail stating that you want to be excluded from *North Port Firefighters’ Pension-Local Option Plan v. Fushi Copperweld, Inc., et al.*, Civil Action No. 3:11-cv-00595. You must include your name, address, telephone number, your signature, the number of shares of Fushi common stock you purchased or acquired between August 14, 2007 and May 4, 2011, inclusive, and the dates and prices of such purchases or acquisitions. You must mail your exclusion request postmarked no later than December 30, 2013 to:

*Fushi Securities Litigation*  
Claims Administrator  
c/o Gilardi & Co. LLC  
P.O. Box 8040  
San Rafael, CA 94912-8040

You cannot exclude yourself on the phone or by e-mail. If you ask to be excluded, you are not eligible to get any settlement payment, and you cannot object to the settlement. You will not be legally bound by anything that happens in this lawsuit.

#### **14. If I do not exclude myself, can I sue Defendants for the same thing later?**

No. Unless you exclude yourself, you give up any right to sue Defendants for the claims that this settlement resolves. Remember, the exclusion deadline is December 30, 2013.

#### **15. If I exclude myself, can I get money from this settlement?**

No. If you exclude yourself, do not send in a Proof of Claim to ask for any money. Once you exclude yourself, you will receive no cash payment even if you also submit a Proof of Claim.

### **THE LAWYERS REPRESENTING YOU**

#### **16. Do I have a lawyer in this case?**

The Court appointed the law firm of Robbins Geller Rudman & Dowd LLP to represent you and other Class Members. These lawyers are called Lead Counsel. These lawyers will apply to the Court for payment from the Settlement Fund; you will not otherwise be charged for their work. If you want to be represented by your own lawyer, you may hire one at your own expense.

#### **17. How will the lawyers be paid?**

At the fairness hearing, Lead Plaintiff’s counsel will request the Court to award attorneys’ fees of 33-1/3% of the Settlement Fund and for expenses up to \$100,000, which were incurred in connection with the Litigation. If awarded, the cost would be \$0.04 per share. This compensation will be paid from the Settlement Fund. Class Members are not personally liable for any such fees or expenses. To date, Lead Plaintiff’s counsel have not received any payment for their services in conducting this Litigation on behalf of the Lead Plaintiff and the Class, nor have counsel been paid for their expenses. The fee requested will compensate Lead Plaintiff’s counsel for their work in achieving the Settlement Fund and is within the range of fees awarded to class counsel under similar circumstances in other cases of this type. The Court may award less than this amount.

### **OBJECTING TO THE SETTLEMENT**

You can tell the Court that you do not agree with the settlement, the Plan of Allocation, or Lead Plaintiff’s counsel’s request for an award of attorneys’ fees and expenses.

**18. How do I tell the Court that I do not like the settlement?**

If you are a Class Member (and you have not excluded yourself), you can object to the settlement, the request for attorneys' fees and expenses, or the Plan of Allocation if you do not like any part of it. You can give reasons why you think the Court should not approve the settlement, the request for attorneys' fees and expenses, or the Plan of Allocation. The Court will consider your views. To object, you must send a signed letter saying that you object to the proposed settlement in *North Port Firefighters' Pension-Local Option Plan v. Fushi Copperweld, Inc., et al.*, Civil Action No. 3:11-cv-00595. Be sure to include your name, address, telephone number, your signature, the number of shares of Fushi common stock purchased or acquired between August 14, 2007 and May 4, 2011, inclusive, and the reasons you object to the settlement, the requested attorneys' fees and expenses, or the Plan of Allocation. Any such objection must be mailed or delivered such that it is received by each of the following no later than March 3, 2014:

*Court:*

CLERK OF THE COURT  
UNITED STATES DISTRICT COURT

*Defendants' counsel:*

JONATHAN N. STRAUSS

**19. What is the difference between objecting and excluding myself from the settlement?**

Objecting is telling the Court that you do not like something about the proposed settlement. You can object **only** if you stay in the Class. Excluding yourself is telling the Court that you do not want to be part of the Class. If you exclude yourself, you have no basis to object because the case no longer applies to you.

**THE COURT'S FAIRNESS HEARING**

The Court will hold a hearing to decide whether to approve the proposed settlement. You may attend, but you do not have to.

**20. When and where will the Court decide whether to approve the settlement?**

The Court will hold a hearing at 9:00 a.m., on May 12, 2014, at the United States District Court for the Middle District of Tennessee, Nashville Division, Estes Kefauver Federal Building and United States Courthouse, 801 Broadway, Nashville, Tennessee 37203. At this hearing, the Court will consider whether the settlement is fair, reasonable, and adequate. If there are objections, the Court will consider them. The Court will listen to people who have asked to speak at the hearing. The Court will also decide whether to approve the payment of fees and expenses to Lead Plaintiff's counsel, as well as the Plan of Allocation. We do not know how long the hearing will take or whether the Court will make its decision on the day of the hearing or sometime later.

**21. Do I have to come to the hearing?**

No. Lead Plaintiff's counsel will answer questions Judge Haynes may have. But, you are welcome to come at your own expense. If you send an objection, you do not have to come to Court to talk about it. As long as you mailed your written objection on time, the Court will consider it. You may also pay your own lawyer to attend, but you are not required to do so.

**22. May I speak at the hearing?**

You may ask the Court for permission to speak at the hearing. To do so, you must send a letter saying that it is your intention to appear in *North Port Firefighters' Pension-Local Option Plan v. Fushi Copperweld, Inc., et al.*, Civil Action No. 3:11-cv-00595. Be sure to include your name, address, telephone number, your signature, and the number of shares of Fushi common stock purchased or acquired between August 14, 2007 and May 4, 2011, inclusive. Your notice of intention to appear must be received no later than March 3, 2014 by the Clerk of the Court, Lead Plaintiff's counsel, and Defendants' counsel, at the addresses listed in Question 18. You cannot speak at the hearing if you exclude yourself from the Class.

**IF YOU DO NOTHING**

**23. What happens if I do nothing at all?**

If you do nothing, you will get no money from this settlement. But, unless you exclude yourself, you will not be able to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against the Defendants about the same issues in this case.
