NOTICE REGARDING ELECTRONIC FILES: Certain claimants with large numbers of transactions may request to, or may be requested to, submit information regarding their transactions in electronic files. To obtain the mandatory electronic filing requirements and file layout, you may visit the website at www.OilsandsSecuritiesLitigation.com or you may e-mail the Claims Administrator at eClaim@gcginc.com. Any file not in accordance with the required electronic filing format will be subject to rejection. No electronic files will be considered to have been properly submitted unless the Claims Administrator issues an email after processing your file with your claim numbers and respective account information. Do not assume that your file has been received or processed until you receive this email. If you do not receive such an email within 10 days of your submission, you should contact the electronic filing department at eClaim@gcginc.com to inquire about your file and confirm it was received and acceptable.

NOTE: Separate Proofs of Claim should be submitted for each separate legal entity (e.g., a claim from Joint Owners should not include separate transactions of just one of the Joint Owners, an Individual should not combine his or her IRA transactions with transactions made solely in the Individual's name). Conversely, a single Proof of Claim should be submitted on behalf of one legal entity including all transactions made by that entity no matter how many separate accounts that entity has (e.g., a Corporation with multiple brokerage accounts should include all transactions in Oilsands securities) during the Class Period on one Proof of Claim, no matter how many accounts the transactions were made in.

PART V - SUBMISSION TO JURISDICTION OF COURT AND ACKNOWLEDGMENTS

I (We) submit this Proof of Claim and Release under the terms of the Revised Stipulation of Settlement described in the Notice. I (We) also submit to the jurisdiction of the United States District Court for the Southern District of New York, with respect to my (our) claim as a Class Member and for purposes of enforcing the Release set forth herein. I (We) further acknowledge that I am (we are) bound by and subject to the terms of any judgment that may be entered in the Litigation. I (We) agree to furnish additional information such as transactions in other Oilsands securities to the Claims Administrator (as defined in the Notice) to support this claim if required to do so. Other than any submissions made in the Matter of Oilsands Quest, Inc. et. al, under the Companies' Creditors Arrangement Act, Court of Queens Bench of Alberta Case No. 1101-16110, I (we) have not submitted any other claim covering the same transactions of Oilsands common stock, preferred stock or options during the Class Period and know of no other person having done so on my (our) behalf.

PART VI - RELEASE

1. I (We) hereby acknowledge full and complete satisfaction of, and do hereby fully, finally and forever settle, release and discharge from the Released Claims each and all of the Released Persons.
2. "Released Claims" means all claims, whether known or unknown (including, but not limited to, "Unknown Claims"), that were asserted or could have been asserted in this Action by Lead Plaintiffs or members of the Proposed Settlement Class, directly against the Released Persons under federal or state law, including, without limitation, all claims arising out of, or relating to, in whole or in part, (i) the claims or facts and circumstances asserted in this Action, and (ii) the purchase of or sale of Oilsands shares or options during the Settlement Class Period, including, without limitation, any claims by Lead Plaintiffs or members of the Proposed Settlement Class arising out of, or relating to, sales literature, financial statements, press releases, public filings, or other public disclosures made or issued by the Defendants concerning the Company during the Proposed Class Period. Excluded from the "Released Claims" are claims to enforce the Settlement.
3. "Unknown Claims" means any Released Claims which the Lead Plaintiffs or any Proposed Settlement Class Member does not know or suspect to exist in his, her or its favor at the time of the release of the Released Persons which, if known by him, her or it, might have affected his, her or its settlement with and release of the Released Persons, or might have affected his, her or its decision not to object to this Settlement. With respect to any and all Released Claims, the Settling Parties stipulate and agree that, upon the Effective Date, the Lead Plaintiffs shall expressly and each of the Proposed Settlement Class Members shall be deemed to have, and by operation of the Judgment shall have, expressly waived to the fullest extent permitted by law the provisions, rights and benefits of California Civil Code § 1542, which provides:

A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.

The Lead Plaintiffs shall expressly and each of the Proposed Settlement Class Members shall be deemed to have, and by operation of the Judgment shall have, expressly waived any and all provisions, rights and benefits conferred by any law of any state or territory of the United States, or principle of common law, which is similar, comparable or equivalent to California Civil Code § 1542. The Lead Plaintiffs and Proposed Settlement Class Members may hereafter discover facts in addition to or different from those which he, she or it now knows or believes to be true with respect to the subject matter of the Released Claims, but the Lead Plaintiffs shall expressly, and each Proposed Settlement Class Member, upon the Effective Date, shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever settled and released any and all Released Claims, known or unknown, suspected or unsuspected, contingent or non-contingent, whether or not concealed or hidden, which now exist, or heretofore have existed, upon any theory of law or equity now existing or coming into existence in the future, including, but not limited to, conduct that is negligent, intentional, with or without malice, or a breach of any duty, law or rule, without regard to the subsequent discovery or existence of such different or additional facts; provided, however, that if McDaniel (a) fails to execute the Revised Stipulation and such other documents as may be required to obtain final Court approval of the Revised Stipulation; (b) fails to cause its contribution to the Settlement Fund to be deposited with the Escrow Agent; or (c) exercises its option to terminate the Revised Stipulation pursuant to ¶ 7.3 of the Revised Stipulation of Settlement, such release shall not apply to McDaniel. The Lead Plaintiffs acknowledge, and the Proposed Settlement Class Members shall be deemed by operation of the Judgment to have acknowledged, that the foregoing waiver was separately bargained for and a key element of the Settlement of which this release is a part.

4. This Release shall be of no force or effect unless and until the Court approves the Revised Stipulation of Settlement and the Revised Stipulation of Settlement becomes effective on the Effective Date.
5. I (We) hereby warrant and represent that I (we) have not assigned or transferred or purported to assign or transfer, voluntarily or involuntarily, any matter released pursuant to this Release or any other part or portion thereof.

6. I (We) hereby warrant and represent that I (we) have included information about all of my (our) transactions in Oilsands common stock, preferred stock or options which occurred at any time between March 20, 2006 and April 13, 2011, as well as the number of shares of Oilsands common stock, preferred stock or options held by me (us) at the opening of trading on March 20, 2006 and at the close of trading on April 13, 2011.
